## PARTY DATES

See the office to reserve your Birthday Party space early. Parties will be held on Saturdays and Sundays. Available times and dates are first-come-first served.

## NUMBER OF GUESTS

The more the merrier! We allow up to 20 invitations. There will be an extra charge per person for every guest over 20. We have a large lobby in which seating is available for parents if they would like to stay.

## MINI CLASS

The children will be provided with mini-class introduction to the basic skills of Taekwondo. Kicks, blocks, and punches will be introduced through fun and interesting activities. The class will be age and skill appropriate — taught by one of our experienced and certified instructors.

## FACILITY

Our facility includes a large matted area, approximately 7,000 square feet. A large lobby provides comfortable seating for parents and guests. The lobby will also be used for the cake ceremony and opening of gifts.

## ACTIVITIES

Following the mini-class, each child will have the chance to learn to break a board. Broken boards will be dated and signed to be taken home as a souvenir.

Our instructors will also engage guests in a variety of games and activities. Dodge ball, paddle ball, and scatter ball are some the favorites of our current students.

## CAKE CEREMONY

Following games and board breaking, guests will relax and enjoy some birthday treats. Our instructors will assist the Birthday child in a special cake ceremony. The Ahn Taekwondo Institute staff will serve the guests and handle the clean up. Parents can relax and enjoy the party.

## GIFT RECEPTION

After cake, if the birthday child would like to, there will be time for opening gifts and spending time with friends.
